Vehicle Crash on HWY 26

On November 10, 2012 at 4:45 a.m. Beaverton Police Officers were dispatched to an injury vehicle crash. The crash occurred on HWY 26 westbound near the Camelot to Sylvan interchange. The vehicle a dark colored Tahoe was travelling westbound when it struck one concrete barrier then the other before it came to rest on the HWY. This section of HWY 26 was shut down until approximately 7:00 a.m. for the investigation.

When officers arrived it was determined that the crash involved a single vehicle and only one occupant. The occupant a Hispanic, adult male was transported to a local hospital with life threatening injuries.

It is unknown if alcohol was a factor in this crash. The driver was not wearing a seatbelt at the time of the crash and this contributed to the life threatening injuries he sustained.
